

List of:

Welders

Names

FGS

Pict

Hist

Note: Early Pioneer Welders heated the metals to red hot in a forge and then pounded them together with a hammer on an anvil. They were called Blacksmiths. (See seperate list.).

Byron Pierce

George A. Anderson had his shop in a metal building down highway 189 near Isaac Anderson Lumber Mill.

Wayne W. Bonner had his shop next to his home at 68 East Main Midway, Utah, then later moved into a nice metal building in his back yard.

Evan Zenger in Cloyes Gear Factory Bldg, called it Wasatch Mountain Welding.

Ken L. Davis in Cloyes Gear Factory Bldg, called it Wasatch Mountain Welding.

Bobbie Davis was hired by Wasatch Mountain Welding.

Bill Applegate was hired by Wasatch Mountain Welding

Mark Hatch and Steve Ferrand and Steve Rouley run the T&K Steel 600 So. 300 West Heber, some employees are Eddie Clyde, Steven Webster, "Cisco."

Now many young men learn welding in high school and so there are numerous knowledgeable welders now-a-days.

Ref: 1. Interview with Linden L. Moulton 10 Apr. 1984.
